

ALL SAINTS HYMN

Enthroned He Sits in power and might,
Alleluia.
Around Him saints in dazzling dight,
Alleluia.

*Pray for us ye heav'nly throng,
All the saints bring forth your song,
Pour for us your orisons.
Orate. Orate. Orate, pro nobis.*

The Queen of heav'n did'st lead the
way.
Alleluia.
The apostles next engaged the fray.
Alleluia.

Pray for us...

Martyrs, so fearless, shed their blood.
Alleluia.
Virgins, Confessors joined the flood.
Alleluia.

Pray for us...

Who on earth cast down their crown.
Alleluia.
Now in celestial glory drown.
Alleluia.

Pray for us...

This sanctum's saints, patrons four-fold.
Alleluia.
Aidan, Andrew, Greg'ry, Oswald.
Alleluia.

Pray for us...

With saints and angels let us rout,
Alleluia.
The powers of hell, then raise the shout:
Alleluia.
